I Don't Like The Way I Look When I'm Standing Beside  
You.

This Isn't Meh; I'm Not Happy.

Can You Feel It Too?

How Long Should I Drag This On?

Waiting Around For What's Already Gone.

I Don't Know What To Believe In...

Sink Into This Straitjacket Feeling.

I am Afraid, I am Afraid.

I am Afraid, I am Afraid.

I Break. I Break.

I Need To Be Free To Feel Like I Can Breathe;

Cause This Holy Mess Is Strangling Meh.

I Say That I Should Walk Away...

There's No Change If I Choose To Stay.

I Don't Know What To Believe In...

Sink Into This Straitjacket Feeling.

I am Afraid, I am Afraid.

I am Afraid, I am Afraid.

I Break. I Break. I Break.

I Don't Like The Way I Look When I'm Standing Beside  
You.

This Isn't Meh; I'm Not Happy.

How Long Should I Drag This On?

Waiting Around For What's Already Gone.

I Don't Know What To Believe In...

Sink Into This Straitjacket Feeling.

I am Afraid, I am Afraid.

I am Afraid, I am Afraid.

I am Afraid, I am Afraid.
