I remember when I met you  
Couldn't get you to talk  
I thought it was real  
Now you're breaking my heart  
I was hoping that you'd fallen for me right from the  
start  
How does it feel?  
Now that we're breaking apart  
And now I know I'm feeling

Down, down, I miss my baby  
I want to be your lady  
I want you back tonight  
I want you back tonight  
I know I'm acting crazy  
Don't know if you can save me  
I want you back tonight  
I want you back tonight

I saw my picture in the mirror when I picked up the  
phone  
How does it feel?  
Now you're alone  
I shouldn't care, I feel embarrassed, I should have  
known  
It wasn't real, I think its time to move on  
And now I know I'm feeling

Down down I miss my baby,  
I want to be your lady  
I want you back tonight,  
I want you back tonight  
I know I'm acting crazy,  
Don't know if you can save me  
I want you back tonight  
I want you back tonight

I thought you told me it was love  
I never thought that you would go  
Sometimes I feel like giving up  
Now I'd say,

Down down I miss my baby  
I want to be your lady  
I want you back tonight,  
I want you back tonight  
I know I'm acting crazy,  
Don't know if you can save me  
I want you back tonight  
I want you back tonight  
I want you back tonight  
I want you back tonight  
I want you back tonight  
I want you back tonight  
I want you back tonight  
I want you back tonight  
I want you back tonight  
I want you back tonight  
I want you back tonight
