I'm feeling kinda strange
'Cause of all the things you say
Yeah I know, too good to believe
This probably won't work
'Cause you're kind of a jerk
And for sure you're way too cool for me

Yeah I'm a fool for love
'Cause I just can't give you up
I'm a fool for love
Wish I could stop, Wish I could
stop
I'm a fool love
I just can't get enough
I'm a fool for love
Can't get enough, can't get enough of your
la la la la la la
la la la la la la
la la, I'm a fool for love

No matter how I try
Cannot plot to make you cry
So I won't take you seriously
'Cause I miss you so much
I get my panties in a bunch
Everytime you're not next to me

Yeah I'm a fool for love
'Cause I just can't give you up
I'm a fool for love
Wish I could stop, wish I could stop

I'm a fool for love
I just can't get enough
I'm a fool for love
Can't get enough, can't get enough of your
la la la la la la
la la la la la la
la la, I'm a fool for love

So just want me, say you want me
I don't know if I belong

Do you, not sure I believe but
You could prove me wrong
I'm a fool for love

Yeah I'm a fool for love
'Cause I just can't give you up
I'm a fool for love
Wish I could stop, wish I could stop
I'm a fool for love
I just can't get enough
I'm a fool for love
Can't get enough, can't get enough of your
la la la la la la la
la la la la la la la
la la, I'm a fool for love

la la la la la la la
la la la la la la la
la la, Yeah I'm a fool for love
la la
la la
la la
