He drives up to her house
She tells her momma goodbye
She jumps into his car
Their kiss lit in the radio's light

And they're gonna fall in love tonight
Underneath the Orange County sky
They sleep on the beach
Until they see the morning come
Life was over before it begun

We still got our MTV
Jay-Z and Gwen Stefani
Tivo for my sweet sixteen
And prepaid AT&T
The things that we think we need
For our American dream
We're so perfectly Orange County

She has a baby coming
He quits school to get a job
She stays at home alone
Thinking where have the good times gone

And they're gonna fall in love tonight
Underneath the Orange County sky
They sleep on the beach
Until they see the morning come
Life was over before it begun

We still got our MTV
Jay-Z and Gwen Stefani

Tivo for my sweet sixteen
And prepaid AT&T
The things we think we need
Now that 2 become 3
We're so perfectly Orange County, Orange County

Where have all the good times gone?
And she says,
Where have all the good times gone?

And they're going to fall in love tonight
Underneath the Orange County sky
They sleep on the beach
Until they see the morning come
Life was over before it begun

We still got our MTV
Jay-Z and Gwen Stefani
Tivo for my sweet sixteen
And prepaid AT&T
Marc Jacobs and Gucci gear
We'll pay it off in a year
Credit cards to pay our debt
So why aren't we happy yet?
Old pictures of you and me
When we were young and were free
And memories so perfectly Orange County
Orange County, Orange County, Orange County
