I am orange gum drop stuck in your mouth
I am mother's milk that's all gone bad
I'm so pretty yeah I'm so pretty yeah
I'm so pretty yeah I'm so pretty tonight
Yeah I'm pretty tonight, yeah I'm pretty tonight, tonight,
tonight
Yeah I'm a pretty little nightmare, nightmare

I'm crayola crayon drawn on your wall
I'm Kurt Cobain karaoke out of tune
Yeah I'm so pretty yeah I'm so pretty yeah
I'm so pretty yeah I'm so pretty tonight
Yeah I'm pretty tonight, yeah I'm pretty tonight, tonight,
tonight
Yeah I'm a pretty little nightmare, nightmare

You love this messed up little girl
You love this messed up little girl

Cause you're a little messed up too
And thats why I love you

I'm American Beauty rose thorn caught in your side
The rainbow tied to your messed up rainy day
Yeah I'm so pretty yeah I'm so pretty yeah
I'm so pretty yeah I'm so pretty tonight
Yeah I'm pretty tonight, yeah I'm pretty tonight, tonight,
tonight
Yeah I'm a pretty little nightmare, nightmare

Yeah I'm so pretty yeah I'm so pretty yeah
I'm so pretty yeah I'm so pretty tonight
Yeah I'm pretty tonight, yeah I'm pretty tonight, tonight,
tonight
Yeah I'm a pretty little nightmare, nightmare
