Bounce back on my feet again

Bought some guns these haters back with the beef

And they wanna lock me up throw away the key

Fuck em you wanna kill me come and do it I don't give

[Hell Rell]

Yea I'm still gettin out  
So what the judge boost the bail  
Niggaz run around saying what they gonna do to  
Rell(Nothin)  
Two P-89's on me call me Ruger Rell  
Y'all niggaz talk about your bodies I don't shoot and tell  
And you still playing you ain't even close to culture  
First you up then you down what you rollercoaster?  
Tre pound rubber grip what my holster holding  
And there's a baby being born a fiend overdoser  
Must have been my dope that did em man  
I party on the yacht with some hoes or her pigeon  
friends  
You tell a slut you love her and miss her hug her and  
kiss her  
I fuck her and diss her probably was your cousin or  
sister  
I got mami sucking dick, put product on the strip  
Spray a nigga pay a nigga just to bottle up a brick  
But I'm trying to make sure that my dust move  
A young nigga what I was laid I hamma dosage

[Chorus]

[Hell Rell]

For that paper snatch you daughter up  
Cruise pulling Porches up  
Cam I'm hungry now go head and kick your Air Jordans  
up  
Put your hand on me your moms'll get it in the mail  
I was buzzing more than you when I was sitting in a cell  
All the streets wanted to know was where's Hell Rell  
There go Jim there go Killa but where's Hell Rell  
There go Freaky Santana but where's Hell Rell  
I'm here now everybody thanks for all the fan mail  
But fuck a bitch I don't love them either (Naw)  
The powder black the coke is white so when I cook it's  
like jungle fever  
A couple niggaz going to be shot in their face

Robbed for every dollar that they got in their safe  
See I'm something like a phe-no-me-non (Yea)  
I kidnap your kids with their pajamas on (Yea)  
And I still slap a nigga just for stepping on my white on  
whites  
I'm in the hood like peeling cheese and Mike and Ikes

[Chorus]
