a lovestruck romeo sings the streets a serenade
laying everybody low with a lovesong that he made
finds a streetlight steps out of the shade
says something like you and me babe how about it?
juliet says hey it's romeo you nearly gave me a heart
attack
he's underneath the window she's singing hey la my
boyfriend's back
you shoudn't come around here singing up at people
like that
anyway what you gonna do about it?
juliet the dice were loaded from the start
and I bet and you exploded in my heart
and I forget I forget the movie song
when you gonna realize it was just that the time was
wrong juliet?
come up on different streets they both were streets of
shame
both dirty both mean yes and the dream was just the
same
and I dream your dream for you and now your dream is
real
how can you look at me as I was just another one of
your deals?
well you can fall for chains of silver you can fall for

chains of gold

you can fall for pretty strangers and the promises they
hold

you promised me everything you promised me thick
and thin

now you just say oh romeo yeah you know I used to
have a scene with him

juliet when we made love you used to cry

you said I love you like the stars above I'll love you till I
die

there's a place for us you know the movie song

when you gonna realize it was just that the time was
wrong?

I can't do the talk like the talk on the tv

and I can't do a love song like the way its meant to be

I can't do everything but I'd do anything for you

can't do anything except be in love with you

and all I do is miss you and the way we used to be

all I do is keep the beat the bad company

all I do is kiss you through the bars of Orion

julie I'd do the stars with you any time

juliet when we made love you used to cry

you said I love you like the stars above I'll love you till I
die

there's a place for us you know the movie song

when you gonna realize it was just that the time was
wrong?

a lovestruck romeo sings the streets a serenade

laying everybody low with a lovesong that he made

finds a convenient streetlight steps out of the shade

says something like you and me babe how about it?
