The ice house preserves  
With incestuous flowers  
Their nightly perfume overpowers me

The stamens kiss  
Entwined devouring  
The heart will melt whilst the ice remains

Erogenous touch  
Of brother and sister  
The ice retains life no offspring to bear

Phallic flower  
Etched into my memory  
A feline form on a frosted pane

Not ashes to ashes  
Not dust to dust  
A beckoning bouquet  
Of blossoming lust

Oh will you stay  
Until this moment's complete?  
Oh let me freeze you  
With this fragrance so sweet  
We shall not slither and wither away  
The door will lock shut  
When the ice names the day

Not ashes to ashes  
Not dust to dust  
A beckoning bouquet  
Of blossoming lust
