ugly words ugly crimes
ugly thoughts invade your mind
no charity, no dignity
no sympathy so I'll be
deaf dumb and blind today
nausea is all I feel today
divorce these crimes
from my mind
lowered crows silent vows
withered crocus on the ground abound
from your cell are distant bells
blossom falls like snow
and dies in silence
all decays and breaks silence
all decays and dies
sadness chimes bitter times
hardened fools unfair unkind
mercy me mercy you
say you do have mercy
for the things we do
say you do, you do
save me
no vision today
save me
no hearing or speaking today
say you do have mercy
for the things we do
say you do, you do
hear no evil see no evil say no evil
hear no evil see no evil say no evil
hear no evil see no evil say no evil
