Apartment door  
Is left ajar  
An eye in the glass  
On the parquet floor  
All the guests  
Have left and gone  
But I'm still here  
On the 2nd floor

Aftermath  
In an amber glow  
A vodka bath  
For this shipwrecked soul  
Seconds fly  
As the years flow by  
But I don't care  
I'm on the 2nd floor

2nd Floor  
And I still want more  
2nd Floor  
Coming back for more

Why fear death  
When death never hurt  
No one

2nd Floor
