WOOOAAAHHHH!

You think you know me  
You dont know anything thats in my life  
Or on my mind  
I'm moving on this time  
You've been the wave thats crushing down on my  
bones (down on my bones)  
You've been the demon thats been claiming my soul

Now I am on my way  
Now I can safely say

We're staring in the eyes of living life  
(On top of the world, On top of the world)  
Spending all my time in the spotlight  
(On top of the world, On top of the world)  
Nothing's gonna stop us now  
No one's gonna hold me down  
You only get once so live it right  
(On top of the world, On top of the world)

You want to hate me  
Go ahead and spill the lies you preach  
Against me  
Your words are a disease (A disease)  
I am a cure for all the sickness you spread (Sickness  
you spread)  
My satisfaction comes from making you sweat

Now I am on my way  
Now I can safely say

We're staring in the eyes of living life  
(On top of the world, On top of the world)  
Spending all my time in the spotlight  
(On top of the world, On top of the world)  
Nothing's gonna stop us now (Nothing's gonna stop us  
now)  
No one's gonna hold me down  
You only get once so live it right

(On top of the world, On top of the world)

(Guitar Solo)

We're staring in the eyes of living life  
(On top of the world, On top of the world)  
Spending all my time in the spotlight  
(On top of the world, On top of the world)  
Nothing's gonna stop us now  
No one's gonna hold me down  
You only get once so live it right  
(On top of the world, On top of the world)

Nothing's gonna stop us now  
No one's gonna hold me down  
You only get once so live it right  
(I'm on top of the world, On top of the world)

On top of the world  
On top of the world  
On top of the world  
I'm on top of the world  
OH!
