I'm not afraid to let you kill me (I know)
No other way to fill your hollow bones
I fade into the shadow with you (I know)

So dead in love

So dead in love

Did you hear my heart stop beating?

Guess it's never enough

Oh no, it's never enough

Until my heart stopped beating

So dead in love

So dead in love

So dead in love

Did you hear my heart stop beating?

I told the mystery and laid it to rest

I'm guided by your eyes, you silence those best

So they become all that you never confessed

So dead in love

So dead in love

Did you hear my heart stop beating?

Guess it's never enough

Oh no, it's never enough

Until my heart stopped beating

So dead in love

So dead in love

So dead in love

Did you hear my heart stop beating?

So dead in love

So dead in love

Did you hear my heart stop beating?

Guess it's never enough

Oh no, it's never enough

Until my heart stopped
