Dirk Blanchart - Separate Ways
=====

Somewhere in the city
underneath the neon lights
Im running into you
How do you do ?
Its been a long time

Yes I really changed a lot
but so did the entire world
Russias not the same
neither is my man
nor am I

Dont know what to say about love
thats not been said before
What am I to do when Im lonely
and theres a thousand people on the phone ?

Careless was your loving
but sweeter than the summer
& wilder than the Huns
Why have you done what you did ?

We could have sailed the seas
and carved our names in trees
but than dont matter anymore
it mattered yesterday
but thats oh so so far away
I cant remember how it was

Dont know what to say about love
thats not been said before
What am I to do when Im lonely
and theres a thousand people at my door ?
How am I supposed th sleep
when Im haunted by your ghost ?
We can only go our separate ways again
We better go our separate ways once again
