People change and plans get changed and  
Everything changes but You  
Everybody moves around and  
Everything gets pushed around but You  
You always stay the same, stay the same

I want to finish last, last in the world's eyes  
No matter what I do, I will be first in Your eyes

I am running in this race and  
I am pressing onwards towards the finish line  
You have promised me a better life  
Far beyond this world, far beyond this place and time

I want to finish last, last in the world's eyes  
No matter what I do, I will be first in Your eyes

I want to finish last, last in the world's eyes  
No matter what I do, I will be first in Your eyes

People change and plans get changed and  
Everything changes but You  
Everybody moves around and  
Everything gets pushed around but You  
You always stay the same, stay the same

I want to finish last, last in the world's eyes  
No matter what I do, I will be first in Your eyes

I want to finish last, last in the world's eyes  
No matter what I do, I will be first in Your eyes

I want to finish last, last in the world's eyes  
No matter what I do, I will be first in Your eyes

I want to finish last in their eyes
