Decision making comes now
To do the best I know how
Everyone watching me
To see what I believe

If I am willing to fold
How far is too far to go?
Can I stand up to this
Or will I swing and miss?

I'm scared of this temptation
Feels like I'm gonna drown
Under all this attention
But you can't pull me down

[CHORUS]
Throw it at me, see if I'm ready
Can't touch my heart
Cause I've got my Lifeguard
Here to save me; He always will be
Watching my heart, my Lifeguard

Put on your real face now
And show me what you're about
You were so cool, I thought

But now I see you're not

Not even close to the truth
I'll never give it to you
I'm through with failure
This time it's over

I know that this temptation
Can get the best of me
Under all this attention
I'll make it, wait and see

[CHORUS]

Responsibility, never easy
I'll never give Him more

Than I'm ready for

[CHORUS]

My Lifeguard
