When there's nowhere else to turn  
All your bridges have been burned  
Feels like you've hit rock bottom

Don't give up, it's not the end  
Open up your heart again  
When you feel like no one  
Understands where you are

Someone loves you  
Even when you don't think so  
Don't you know, you got me and Jesus?  
By your side, through the fight  
You will never be alone on your own  
You got me and Jesus

After all that we've been through  
By now, you know I've doubted too  
But every time my head was in my hands  
You said to me

Someone loves you  
Even when you don't think so  
Don't you know, you got me and Jesus?  
By your side, through the fight  
You will never be alone on your own  
You got me and Jesus

Hold on to what we got  
This is worth any cost  
So make the most of life that's borrowed  
Love like there's no tomorrow

Someone loves you  
Even when you don't think so  
Don't you know, you got me and Jesus?  
By your side, through the fight  
You will never be alone on your own  
You got me and Jesus

Even when you don't think so  
Don't you know you got me and Jesus?

By your side, through the fight  
You will never be alone on your own  
You got me and Jesus

Someone loves you  
Even when you don't think so  
Don't you know you got me and Jesus?  
You will never be alone  
You got me and Jesus
