Broken this fragile thing now
And I can't, I can't pick up the pieces
And I've thrown my words all around
But I can't, I can't give you a reason
I feel so broken up (so broken up)
And I give up (I give up)
I just want to tell you so you know

(Chorus)

Here I go, scream my lungs out and try to get to you
You are my only one
I let go, but there's just no one who gets me like you do
You are my only, my only one

Made my mistakes, let you down
And I can't, I can't hold on for too long
Ran my whole life in the ground
And I can't, I can't get up when you're gone

And something's breaking up (breaking up)
I feel like giving up (like giving up)
I won't walk out until you know

(Chorus)

Here I go, scream my lungs out and try to get to you
You are my only one
I let go, but there's just no one who gets me like you do
You are my only my only one

(Music Intro)

Here I go, so dishonestly leave a note for you my only
one, and I know you can see right through me so let me
go and you will find someone

(Chorus)

Hear I go, scream my lungs out and try to get to you
You are my only one
I let go, but there's just no one, no one like you
You are my only, my only one
My only one (x3)
you are my only one
