Life is filled with circumstances, situations
That we can't avoid
And I admit some days can steal my happiness
But I still got joy

Hey, You are my sunshine
On a rainy day, it's gonna be okay
Hey, You are my sunshine
It's gonna be alright

I believe in something bigger than my troubles
They can't keep me down
This sinking feeling starts disappearing on the double
Now that You're around

Hey, You are my sunshine
On a rainy day, yeah, it's gonna be okay
Hey, You are my sunshine
It's gonna be alright

I am not afraid to walk into the darkness
'Cause I've got the light
I've got my problems but I know that Jesus loves me
And that's alright

Hey, You are my sunshine
On a rainy day, it's gonna be okay
Hey, You are my sunshine
It's gonna be alright

Hey, You are my sunshine
On a rainy day, yeah, it's gonna be okay
Hey, You are my sunshine
It's gonna be alright
It's gonna be alright

Rain, rain go away
Don't come back another day, oh yeah
It's gonna be alright
Rain, rain go away
Don't come back another day
