I'm watching you from a scenic view  
Taking in your every move  
Who you tried so hard to be  
Full of wishes and dreams  
That did not come true for you

I can read you like a book  
Sad stories everywhere I look  
Faded pictures remind you  
When what could have been  
Did not come true for you  
Did not come true for you

I'll be the one who  
Makes you laugh  
Make up for the memories  
That made you sad

Me and you together  
Forever, we could be  
Someday you will find me  
In all your wishes and dreams

Is it so hard to believe  
What your eyes cannot see?  
Your dream come true  
A love to fall into  
I'm waiting to show you  
I'm waiting to show you

I'll be the one who  
Makes you laugh  
Make up for the memories  
That made you sad

Me and you together  
Forever, we could be  
Someday you will find me  
In all your wishes and dreams

I'll be the one who  
Makes you laugh

Make up for the memories  
That made you sad

Me and you together  
Forever, we could be  
Someday you will find me  
In all your wishes and dreams

I'll be the one who  
Makes you laugh  
Make up for the memories  
That made you sad

Me and you together  
Forever, we could be  
Someday you will find me  
In all your wishes and dreams
