Even though I walk through the valley of the shadow of death

Your perfect love is casting out fear

And even when I'm caught in the middle of the storms of this life

I won't turn back, I know You are near

I will fear no evil

For my God is with me

If my God is with me

Whom then shall I fear? Whom then shall I fear?

Oh no, You never let go

Through the calm and through the storm

Oh no, You never let go

In every high and every low

Oh no, You never let go

Lord, You never let go of me

I can see a light that is coming for the heart that holds on

A glorious light beyond all compare

And there will be an end to these troubles but until that day comes

We'll live to know You here on the earth

I will fear no evil

For my God is with me

If my God is with me

Whom then shall I fear? Whom then shall I fear?

Oh no, You never let go

Through the calm and through the storm

Oh no, You never let go

In every high and every low

Oh no, You never let go

Lord, You never let go of me

I can see a light that is coming

For the heart that holds on

There will be an end to these troubles

But until that day comes

Still I will praise You
Still I will praise You

Oh no, You never let go
Through the calm, through the storm
Oh no, You never let go
In every high and every low
Oh no, You never let go
You never let go of me

Oh no, You never let go
Through the calm and through the storm
Oh no, You never let go
In every high and every low
Oh no, You never let go
Lord, You never let go

Through the calm and through the storm
Oh no, You never let go
In every high and every low
Oh no, You never let go
You never let go of me
