I want you to want me  
I want you to know it  
But I can't show it  
You have always been my everything  
You've opened my heart  
With the joy you've been bringing

Just give me a sign, baby  
I promise you everyday, yeah

I'm gonna love you, girl  
But it's a sticky situation  
Girl, I'm tired of waiting  
Please let the love begin  
And won't you open up  
And let me in

I want you to touch me  
And kiss me over and  
Over and over  
Girl, I need you laying next to me  
Whispering your sweet  
Little something's to me

Just say you'll be mine, yeah.  
I promise you everyday, yeah

I'm gonna love you, girl  
But it's a sticky situation

Girl, I'm tired of waiting  
Please let the love begin  
And won't open up  
And let me in

Will I ever get it right?  
Come on, be a man and just say it  
Okay, here it goes...  
I love you, baby  
In the middle of the night  
I toss and turn, it's crazy  
I want ya

I need ya  
I can't let you go

I'm gonna love you, girl  
But it's a sticky situation  
Girl, I'm tired of waiting  
Please let the love begin  
And won't open up  
And let me in

Oh, oh, oh, oh, oh  
It's a sticky situation  
Girl, I'm tired of waiting  
Please let the love begin  
And won't you open up  
And let me in

Ooooo...
