"When I Fall In Love"

When I fall in love,
It will be forever
Or I'll never fall in love.
In a restless world like this is,
Love is ended before it's begun
And too many moonlight kisses
Seem to cool in the warmth of the sun.

When I give my heart,
It will be completely

Or I'll never give my heart.
And the moment I can feel that
You feel that way, too,
Is when I fall in love with you.

And the moment I can feel that
You feel that way, too,
Is when I fall in love with you
