She's perfect all the time  
She's special nine to five  
I'd you bring you back to life  
But you won't forget your alibi  
He wants to bury the lie  
He wants to make her his wife  
I'm him indifference  
Dirty Little Secret baby

Imperfect, Impassion  
Sublime and ordinary  
Imperfect, Uncovered  
Unloved, Undignified  
And all that I want  
Is a taste of the voyage of sympathy  
All that I want  
Is a taste of the boy inside of me

He won't make up his mind  
He says he owes her the time  
How he forgets in my sheet  
Forbidden fruit is very sweet  
Tell me to close the door  
Tell me to say nothing more  
I'm on your broken moments  
Inbetween and secondary  
Imperfect, Impassion  
Sublime and ordinary  
Imperfect, Uncovered  
Unloved, Undignified  
And all that I want  
Is a taste of the voyage of sympathy  
All that I want  
Is a taste of the boy inside of me

Imperfect, Impassion  
Sublime and ordinary  
Imperfect, Uncovered  
Unloved, Undignified  
And all that I want  
Is a taste of the voyage of sympathy  
All that I want

Is a taste of the boy inside of me

Imperfect, Impassion

Sublime and ordinary

Imperfect, Uncovered

Unloved, Undignified

And all that I want

Is a taste of the voyage of sympathy

And all that I want

Is a taste of the boy inside of me
