I wanna bruise your lips
With a tender kiss
I wanna crush your heart
I wanna be your star
And when your touchin me
I hear a symphony
Oh oh oh baby
Come on my baby

Someone get a priest
Maybe the police
I think that we should call
The Justice of the Peace
Your a pretty young thing
Ah its a damn cool thing
Oh I gotta tell the world
In case they haven't heard
There never was a doubt
Oh baby hush your mouth
Your a pretty young thing
Ah its a damn cool thing

Let me hear my name
Baby say it again
I wanna take you on
I wanna be the one
And when your closing in
I hear violins
Oh oh oh baby
Come on my baby

Someone get a priest
Maybe the police
I think that we should call
The Justice of the Peace

Your a pretty young thing
Ah its a damn cool thing
I gotta tell the world
In case they haven't heard
There never was a doubt
Oh baby hush your mouth

Your a pretty young thing
Ah its a damn cool thing

Oh pretty young thing
Don't need no diamond ring
I'll give you everything
I'll show you anything
Oh hush
Oh just hush
Don't say a word

Someone get a priest
Maybe the police
I think that we should call
The Justice of the Peace
Your a pretty young thing
Ah its a damn cool thing
I gotta tell the world
In case they haven't heard
There never was a doubt
Oh baby hush your mouth
Your a pretty young thing
Ah its a damn cool thing

I think we should call
Oh such a pretty young thing
