Jenny was sitting in the lounge  
She was talking to herself  
Well maybe things like that turn you on  
Maybe you felt that for yourself

Well I'm a believer ya ya ya Oh Oh Oh [X8]

So, tell me the dreams that you might have  
Tell me the stories in your life  
There's a girl who wouldn't stop now  
And she'll never be your wife

Well I'm a believer ya ya ya Oh Oh Oh [X8]

Jenny's coming after you Oh Oh Oh Oh Oh  
Jenny's coming after you Oh Oh Oh Oh Oh  
You keep shining on, shining on  
But you'll never know where your place will be  
And I guess it's true that your not me Oh Oh Oh Oh Oh

Mandy: OH OH OH OH OH OH OH

And I guess it true that we ignore our mother

And we change our color, change our friends  
It's a soul searching motherfucker

Hey we never meant, hey we never say, hey they will  
never say  
To say the way we feel, the pain has never ever gone  
out  
Never should have, Never should have  
It's below the soul

And as though I know a million people could be loved  
I'll never see you again, I'll never see you again  
Come on, come on baby

Oh my God she'll be coming after you in the  
summertime HEY! HEY! HEY!  
Oh my God she'll be coming after you in the  
summertime HEY! HEY! HEY! HEY!

Jenny! Jenny!  
Jenny I'd bet you'd make your Mom so proud  
I need my cell!
