Oh my lord, Oh my girl
She left me sitting in the corner without no words
She's taken all my things all my polyester
I can't see I can't see no weather

Barararapapa barararapapapa
Barararapapa barararapapapa

Try to talk her, try to beg
She even gave me a decent reason for why she left
I'm gonna try to get her back, she'll just say what ever
I can't see I can't see no weather

Barararapapa barararapapapa
Barararapapa barararapapapa

Ohh all I've got is all I need
I wana make ya I wanna make ya believe
What ever turns you on, What ever turns you on
Cause all I've got is all I need
I wana make ya I wanna make ya believe
What ever turns you on, What ever turns you on to me
Ohh to me, to meeee~f~!~!~!
I can't see, I can't see no weather
I can't see, I can't see no weather
I can't see, I can't see no weather
I can't see, I can't see no weather
I can't see, I can't see no weather
I can't see, I can't see no weather
I can't see, I can't see no weather
I can't see, I can't see no weather

NaaaaaNaNaNaaaaaNaNaNaaaaaNaNaNaaaaa
NaaaaaNaNaNaaaaaNaNaNaaaaaNaNaNaaaaa

Lady lady cant you see, I got the whole world crumbling
down on me
I simply can't allow you breaking up with me I'll do it
this time, this time
Lady lady cant you see, I got the whole world crumbling
down on me
I simply can't allow you breaking up with me I'll do it

this time, this time
