Breakfast at the Adlon  
My rabbit felt hat on  
Papers filled with clones and bombings  
Ugly oragami  
DNA is our rag doll  
Mammoths and Neanderthals  
On welfare and Aderol  
Plutonium at the shopping mall  
Now the bees speak Chinese and  
The moon's made of American cheese  
(Chorus)

Wake me in a thousand years  
When computers can shed tears  
Do I have to die before I see  
The pigs fly and the fat lady sing  
Water's more precious than gold  
Even jokes never get old  
There's no need to fear laugh lines  
Latex skin cannot feel time  
Vending machines for memories  
Bubblegum and tabloid dreams  
(Pre-Chorus)

Dark matter and white noise seem  
Like ebony and ivory  
After all the entropy  
We look like black and white movies  
(Chorus)

Arms and legs in thrift stores  
Celebrity sweat sold to the poor  
Choose more than your baby's name  
Liz Taylor's eyes  
And Hawking's brain

If you've forgotten how to feel  
4DTV can make it real  
(Pre Chorus)

(Chorus)
