You and I are the best of friends I know
And my chance to be true and never alone
Should I fail to keep a promise to you
Then forgive help me grow along with you

Chorus:

I love you so with my heart and soul
I will be with you all along the way
Like roses grow through warm and cold
I will be with you all along the way

Where you go or what you do I'll follow you
I'll be there and be a hand to guide you through
My little rose full of strength I'll trust in you
We will share our burdens till one must go

Chorus

Rose Marie tu vois tous les bois
Tu vois tous les dances
C'est ton imagination Rose Marie
Et tu dances dances dances
Dances les bois
Et tu dances toute soule
En tous bois Rose Marie

Chorus
