"Be your bride"

When I'm gone from here
Will you wait for me
When I'm far from here
Will you pray for me
Would you care for me
If I needed hospitality
Would you cry for me
If I were lying in bed
Lying in bed dying

Would you walk for me
If I had no feet
Would you talk for me
If I had no speech
Would you see for me
If I had no sight
Would you hear for me
If I could't hear
I couldn't hear anymore
She says

Chorus:
I will be your bride
Be there truly by your side
I will be your bride
I will give my fullest heart

Now that I must go
I know you'll wait for me
They're taking me to war
To cease the enemy
Heavens strength will grow
Within you and me
In crucial times it'll show
If we're bond as one
To make a big family

Chorus

There's no limits life is long
There's no limits life goes on

There's no limits life is long
There's no boundaries
'cause life goes on

When I'm gone from here
Will you wait for me
When I'm far from here
Will you pray for me
Would you care for me
If I needed hospitality
Would you cry for me
If I were lying in bed
Lying in bed dying
She says

Chorus
There's no limits life is long
There's no boundaries
'cause life goes on
