Every time I look at your face  
I get this feeling  
Every time I look in your eyes  
It starts healing  
Every time we walk side by side  
Yes I get this feeling

Because it's love, Yes it's love  
Oh it's love

And we climb a step  
Every day it's you and I  
We climb a step  
Every day and every night

It's every time you look at my face  
You give me this feeling  
Every time you look in my eyes  
My heart starts to tumble  
Oh I think of you all the time  
It's you I believe in

Because it's love, Yes it's love  
Oh it's love

And we climb a step  
Every day it's you and I  
We climb a step  
Every day and every night

And we climb a step  
Every day it's you and I  
We climb a step  
Every day and every night

And we climb a step

Every day it's you and I  
We climb a step  
Every day and every night

Every time I look at your face  
I get this feeling  
Because it's love, yes it's love  
And it's love
