Brother, brother, brother  
No matter who's right and who is wrong  
I just want you to know my love is still strong  
I wrote you a prayer with this song

Brother, older brother  
You told me you broke up with your wife  
There's been so much suffering in your life  
Thanks to the grace from above your humbled heart is  
alive

Oh, I pray for you cause someday all loved ones die  
Yes I pray that we're rejoined in the afterlife

Brother, brother, brother  
Your baby boy has his mother's eyes  
With the love of you both he'll be strong and wise  
Once his muscles are grown you'll be running side by  
side

Brother, younger brother  
You and your fiancée are one  
I'm sure the true fruits of your love will be passed on  
To the beautiful children still to come

Oh I pray for you cause someday all loved ones die  
Yes I pray that we're rejoined in the afterlife

Father, father, father  
Oh I love you with all my heart  
You've done an amazing part  
All the angels will come when you're ready to depart

Sisters, all my sisters  
I didn't forget you don't get me wrong  
I express my love for each single one  
In the future to come exclusive song

But in the meantime  
Oh I pray for you cause someday all loved ones die  
Yes I pray that we're rejoined in the afterlife

And I pray for you cause someday all loved ones die  
Oh I pray to be rejoined in the afterlife
