I believe someone's out there  
who's gonna help me give  
a nameless  
child loving care  
I believe you are out there  
you're gonna help me give the  
children loving care

So much hate has turned  
to vengeance  
All the laughter has turned  
to crying  
while the mothers lose  
their children  
from the war

I am hungry and I'm cold and  
I have no one to hold for  
my mother and my father are  
dead and gone  
where do I belong

#### CHORUS

This children of Kosovo  
are crying for a helping hand  
the children of Kosovo  
are dreaming of a peaceful land

They have beaten my  
older brother  
they have torn away my sister  
I'm afraid I want revenge  
Is there no other way

Let's hold our hands tightly together  
and think as one forever  
You and I can make a  
change for a better world  
no more war

## CHORUS
