Sadly, that's how you're feeling  
Sorry, my heart was deceiving  
I want you to know, our time had it's reason

Long before my love was gone  
I felt that this would go wrong

CHORUS:  
Don't be so unhappy  
Your life has just begun  
Don't be so unhappy  
there are wars that can't be won

Daddy, I gave you a hard time  
Forgive me, for being so dumb, deaf 'n' blind  
Broke, hurt, hate, habibi  
We can't erase, can't rewind

Long before my love was gone  
I felt that 'us' would turn out wrong

CHORUS

Long before my love was gone  
I felt that things would go wrong

CHORUS
