Stranger walking through the night
I can't be seen 'cause I will fright
You got it wrong I got it right
Or else we get into a fight

Well I know that I'm not fair
'Cause I want more and I don't care
Come and face me if you dare
Yes I know that I won't fail Oh no
'Cause

Chorus:

Ego, I can't control my ego
I can't control my ego
I can't control my ego
Ego, I can't control my ego
I can't control my ego
I can't control my ego

Stranger walking through the night
You only see me in black and white
Well no one pushes me around
'Cause I'm the toughest guy
In town

Well I know that I'm not fair
'Cause I wan't more and I don't care
Come and face me if you dare
Yes I know that I won't fail Oh no

Chorus:

Ego, I can't control my ego
I can't control my ego
I can't control my ego
Ego, I can't control my ego
I can't control my ego
I can't control my ego

I wanna be the best
Don't care 'bout the rest
I wanna have it all

And I want it all now
I don't have a boss
And I don't follow laws
I don't give a damn
'Cause I'm my own man

Chorus:

Ego, I can't control my ego
I can't control my ego
I can't control my ego
Ego, I can't control my ego
I can't control my ego
I can't control my ego
