Today for the first time For the first time  
You took my hand today for the first time  
Touched a warm heart  
What a lucky girl  
Cause you opened your heart  
And you gave it to me  
So don't tell me that you don't love me  
You opened your heart  
And you gave it to me  
So don't tell me that you don't need me  
For me for me  
You're the one you're the world  
Someone is anyone there  
My body needs warmth  
It's a mad mad world  
Today for the first time  
I heard my heart stop as he flew away  
Open your heart and give it to me  
And don't tell me that you don't love me  
Open your heart and give it to me  
And don't tell me that you don't need me

Sometimes I just fall and break

Sometimes it just overflows

I can't take no more

I can't take no more no more

Open your heart

Tonight for the first time all the stars shine

But you're the brightest one my love
