I will not make the same mistakes that you did

I will not let myself

Cause my heart so much misery

I will not break the way you did,

You fell so hard

I've learned the hard way

To never let it get that far

Because of you

I never stray too far from the sidewalk

Because of you

I learned to play on the safe side so I don't get hurt

Because of you

I find it hard to trust not only me, but everyone around me

Because of you

I am afraid

I lose my way

And it's not too long before you point it out

I cannot cry

Because I know that's weakness in your eyes

I'm forced to fake

A smile, a laugh everyday of my life

My heart can't possibly break

When it wasn't even whole to start with

Because of you

I never stray too far from the sidewalk

Because of you

I learned to play on the safe side so I don't get hurt

Because of you

I find it hard to trust not only me, but everyone around me

Because of you

I am afraid

I watched you die
I heard you cry every night in your sleep
I was so young
You should have known better than to lean on me
You never thought of anyone else
You just saw your pain
And now I cry in the middle of the night
For the same damn thing

Because of you
I never stray too far from the sidewalk
Because of you
I learned to play on the safe side so I don't get hurt
Because of you
I try my hardest just to forget everything
Because of you
I don't know how to let anyone else in
Because of you
I'm ashamed of my life because it's empty
Because of you
I am afraid

Because of you
Because of you
