Sometimes it's hard to realize
One's live ain't living
One rather denies the true loneliness
Of this un giving
But I know I wasn't fruitlessly born

I don't let myself receive
I guess it's the punishment of my childish fears
Spend my time kidding myself
With stupid excuses
Oh I'm such a fool
When all I have to do is learn to let you in

Cause I wanna be loved by somebody
Am I asking too much
Am I too impatient
Please tell me God
That you're with me
Cause deep down inside
I'm only hungry
To be loved too

You remind me to give and see the reasons
For all these battles
And the true self of me is only healthy
When it listens to you
You're the endless giving hand
And the purest of all truth

Cause I wanna be loved by somebody
Am I asking too much
Am I too impatient
Please tell me God
That you're with me
Cause deep down inside
I'm only hungry

Everything has it's place
Every child has your grace
Why do I sleep when there is so much to see
Help me help myself

Cause I wanna be loved by somebody
Am I asking too much
Am I too impatient

I wanna be
I wanna be loved
Wanna be loved, repeat 3 X
