When I'm gone from here
Will you wait for me
When I'm far from here
Will you pray for me
Will you care for me
if I needed hospitality
Would you cry for me
If I were lying in bed
Lying in bed dying, she says

CHORUS

I will be your bride
Be there truly by your side
I will be your bride
I will give my fullest heart

Now that I must go
I know you'll wait for me
They're taking me to war
To cease the enemy
Heavens strength will grow
Within you and me
In Crucial times it'll show
If we're bond as one
To make a big family

CHORUS

I will be your bride
Be there truly by your side
I will be your bride
I will give my fullest heart

There's no limit life is long
There's no limit life goes on
There's no limit life is long
There's no boundaries cause life goes on

When I'm gone from here
Will you wait for me
When I'm far from here
Will you pray for me

Would you care for me
If I needed hospitality
Would you cry for me
If I were lying in bed
Lying in bed dying, she says

CHORUS

I will be your bride
Be there truly by your side
I will be your bride
I will give my fullest heart

There?s no limits life is long
There?s noc boundaries cause life goes on
