Out in the fields
Where the farmers grow bread
When called for the meals
The took for the shed
Then dark came to fall
And silence was all
A beauty shone bright
Surrounded by light

Refrain
I fell in love with an alien
I fell in love with her eyes
I fell in love with an alien
I?m telling you no disguise
I?m in love with an alien
I?m in love with her eyes
I?m in love with an alien
I?m telling you no disguise

She came looking out babe for a Romeo
She ain?t looking out babe for a homeboy

I fell in love with an alien
I fell in love with her eyes
I fell in love with an alien
I?m telling you no disguise

The moon went to bed
Sun growing red
A scarecrow appeard
And chased her in fear
She send me her love
Her love to me
And then we did grow
A big family

I fell in love with an alien
I fell in love with her eyes
I fell in love with an alien
I?m telling you no disguise
I?m in love with an alien

I?m in love with her eyes
I?m in love with an alien
I?m telling you no disguise

I fell in love with an alien
I fell in love with her eyes
I fell in love with an alien
I?m telling you no disguise
I?m in love with an alien
I?m in love with her eyes
I?m in love with an alien
I?m telling you no disguise
