Imagine i was a worm

Imagine you were a tree

Imagine imagine imagine

That's right

Imagine imagine imagine

And that was our live

As i'm falling to me

Imagine i was a bird

Imagine you were a fish

Imagine imagine imagine

That's right

Imagine imagine imagine

Alright

We are good flits

Then you could die

Sometimes you sometimes me

Imagine it would be true (2 *)

Imagine imagine imagine

Imagine imagine imagine

I was a worm you were tree

Imagine live was a dream

Imagine for you and for me

Imagine imagine imagine

That's right

Imagine imagine imagine

The things we could feel

And life was a dream

Sometimes you sometimes me

Imagine it would be true

Sometimes you sometimes me

Imagine it would be true

Imagine imagine imagine

That's right

Imagine imagine imagine

Alright

I was a worm you were a tree (10*)
