I'm searching for the gold but i can't find it in this game
i found a way to cope and now i'm swimming in the
fame

i feel it in my bones, i won't be here for long to stay
'cause i'm choking in the coke and now i'm searching
who's to blame

brother likes to listen well the sister likes a rollin' am i
okay

Lord can you hear my prayer, can you hear me now

I see a land of gold and that's where children laugh
and play

where nurses feed the old while i keep drinking my
rosÃfÃ

can you see what's my condition have i made my own
religion

can you hear me pray

Lord can you hear my prayer, can you hear me now

Lord can you hear my prayer, can you hear me now

Lord can you hear my prayer, can you hear me now

Lord can you hear my prayer, can you hear me now

Lord can you hear my prayer, can you hear me now

Lord can you hear my prayer, can you hear me now

thank you for your lovin' thank you for your mercy

thank you for forgiving thank you for the ugly

thank you for your suffering
