Flying through the space
In my dream there was just a sort of faith
Surrounded by all the stars
Took a little trip to Mars
That was nice
That was nice

In the dream there was no talking
There was no shouting
There was no fighting
There was just you and me
Without each others history
That was nice
That was nice

She's my little Miss Speechless
She's my biggest weakness
So hello Mrs. Speechless
How do you do
How do you do
Do you know how much I love you
How do you do
Do you know how much I miss you

I love the colour of your hair
And love your lips
Touch me with your fingertips
Makes me all warm inside
Then I just wanna hide
From you
From you

She's my little Miss Speechless
She's my biggest weakness
So hello Mrs. Speechless
How do you do
How do you do
Do you know how much I love you
How do you do
Do you know how much I miss you

(Mrs. Speechless)
Don't give up
Things go wrong
Don't have her stop
Don't have her stop

Hold on hold on
(Mrs. Speechless)
Hold on hold on hold on hold on
(Mrs. Speechless)
Hold on hold on hold on hold on

So hello Mrs. Speechless
How do you do
