I see you now you don't fool me 'cause i've seen this
before
I'm no preacher i'm no pleaser i'm no hero i'm no dirt
bag scum bag
you make me sick with your lies i'm the one with the
smile that's right
i see you now you're the wolf you don't fool me i've
seen it before
Joeyism full of reason eye for an eye might is right i'm
not your clown
i'm not here to amuse you are you talking to me
that's right i'm not blind that's right
what about my life is it worth anything now

wow she's a special girl i can tell
wow she's a special girl i can tell

I see you now you don't fool me 'cause i've seen it
before
what brings devision you bring devision i'm not insane
in my brain
kiss my ass no more lies in my life stop the fight that's
right
i see you now you're the wolf you don't fool me i've
seen it before
Joeyism rocks like a DJ mind of steel full of will get a
grip with a buddy like
you
who needs enemies
that's right i'm not blind that's right
what about my life is it worth anything now

wow she's a special girl i can tell
wow she's a special girl i can tell
wow she's a special girl i can tell

she'll be running for her life she'll be running for her
life
she'll be running for her life she'll be running for her
life

wow she's a special girl i can tell
wow she's a special girl i can tell
wow she's a special girl i can tell
wow she's a special girl i can tell
