"Take my hand"

So take my hand, you are my brother.
So take my hand, you are my sister.
So take my hand, we need each other,
don't try to walk the road alone !

Through the dark, we'll walk together.
through the rain, forget the weather.
through the storm, we'll sing a song,
why try to walk the road alone ?

I take your hand, I need my brother.
I take your hand, I need my sister,
I take your hand, we need each other,
don't leave to walk the road alone,
don't leave to walk the road alone.

So take my hand...

Through the dark, we'll walk together ...

I take your hand, I need my brother ...
