Watch out children

There's a wolf out there

Open up you eyes son

Cause he's gonna get you

Lock your door at night

Cause he's gonna eat you

Don't try fighting beasts

Cause he's gonna beat you

Watch out children

There's a wolf out there

Never run against the wind

Cause he's gonna win

If there's any doubt in your mind

Check and see if it's full moon out tonight

Check and see if he got a tail

And don't forget to check his nails

Guardian angel guardian angel

Stay with me I'm on my knees

Watch out children there's a wolf out there

He ain't got no mercy

He's only crazy  
Danger's got you running scare  
Can you tell me were your going  
Take a good look in his eyes  
Don't shake his hands to thigh  
Be aware of greeks gifts  
He's a son of a bitch  
Your taste is in his mouth  
He wants to have you now  
Yeah what are we gonna do with this big mean wolf  
What are we gonna do  
We're gonna whack him  
Smack him spank him yeah  
Watch out children  
There's a wolf out there  
Open up your eyes son  $\tilde{A}\hat{c}\hat{a}, \neg\hat{A}$ !  
Watch out children  
He is somewhere I can see him  
Carry guns and knives tonight  
Watch out children !!!!
