Watch out children
theres a wolf out there
Open up your eyes son
cause hes gonna get you
Lock your door at night
cause hes gonna eat you
Dont try fighting beasts
cause hes gonna bit you

Watch out children
theres a wolf out there
never run against the wind
cause hes gonna win

If theres any doubt in your mind
check and see if its full moon out tonight
check and see if hes got a tail
dont forget to check his nails

Refrain
Guarden angel
Guarden angel stay with me
Im on my knees

Watch out children
theres a wolf out there
he aint got no sweet mercy
hes only crazy

Dangers got you running scared
Can you tell me why youre going
Take a good look in his eyes
Go and shake his hand to tight
Be aware of Greek figts
Hes a son of a bitch
Your taste is in his mouth
He wants to have you now

Yeah what were gonna do
with this big mean wolf
Were gonna whack him

smack him
spank him

Watch out children
theres a wolf out there
open up your eyes son
cause hes gonna get you

Refrain
Guarden angel
Guarden angel stay with me
Im on my knees

Watch out children
hes somewhere I can see him
Carry guns and knives tonight
To saver your ass tonight
Watch out children!!!
