Walking down the streets

You look into a dump

You look into a dump and you say

Why why why why why why

Runing down the highway

As fast as you can

You throw away a tin can and you say

Why why why why why why

Tell me why tell me why

Tell me why do you destroy

And you try and you try to destroy

I'm knocking on your door

My knees are on the floor

I get you on the phone and you say no

Why why why why why why

You gotta have a porche

You gotta have a white horse

You gotta be a california dream man

Why why why why why why

Tell me whyâ€¦!

Walkin'down the streetsâ€¦!

Medieval warrior riding on this horse

Slices your head and you say why

Why why why why why why

Medieval warrior riding on his horse

Promised you heaven but put you through hell

Why why why why why why

Tell me why!
