If you please  
If you want  
Won't you take me in your arms  
If you care, you really care for me  
Why haven't you taken me in your arms

You belong to me  
Don't you know, how this is  
You belong to me  
Don't you know oh babe

Are you saying I made it all up  
I'm loosing my self-esteem  
Am I ever going to see you again  
I'm loosing my confidence

You're passing by  
You're leaving me behind  
All my dreams now up the sky  
Why not me  
Is it her cause  
Should have told me long ago

You belong to me  
Don't you know how rare this is  
You belong to me  
Don't you know what it is

Don't you know that you're tearing my soul  
How far do you want to go  
But I'll get up and walk on and on  
I'm a different woman now

You belong to me  
Don't you know how rare this is  
You belong to me  
Don't you know what it is

Am I ever going to find you out there  
I'm loosing my confidence
