You don't understand
The things you did to me
You don't understand
You don't understand at all
My hopes were great and true
But there's nothing I could do
All the pain you caused
You don't understand at all

You're losing me
You're losing my love
If you can't turn around
Stop all your lies

Years went by and lost
I'm picking up my rest
I'm lifting up my life
You no longer understand
You know better than I
Why it couldn't work
Let us part in peace
For the little one of mine
Oh Yeah

You're losing me ...

We both need a break right now
Stop it all and let's go home
We all need a break right now
Stop it all and let's go home

You're losing me ...

Never more will my lips
Speak your name
