There she goes
There she goes again
Racing through my brain
And I just can't contain
This feeling that remains

There she blows [there she blows again]
There she blows again [there she blows again]
Pulsing through my vein [there she blows again]
And I just can't contain
This feeling that remains

There she goes
There she goes again
She calls my name
Pulls my train
No one else could heal my pain
But I just can't contain
This feeling that remains

There she goes
There she goes again
Chasing down my lane
And I just can't contain
This feeling that remains

There she goes [there she goes again]
There she goes [there she goes again]
There she goes [there she goes again]
